Customs Form 91a

Re: **Request for Tax Refund in the Name of** _____ **Entry No.** _____

Following your request for a tax refund, I hereby notify you that the refund of an overpayment is stipulated upon the fulfillment of the conditions set forth in **Section 6 of the Indirect Taxes Law (Overpaid Tax or Underpaid Tax) – 1968**.

1. That he has not sold the goods;
2. That he has sold the goods but the overpayment was not included in the price paid by the buyer.

According to Customs Form 91, it is required to attach a declaration to requests of NIS 50,000 or more.

Therefore, in order to examine the fulfillment of the said conditions and in light of the fact that the burden of proof is on the taxpayer, it is required to receive a declaration from the taxpayer or his accountant, authorized by an attorney, in which the following details shall be noted:

- a) The fact that the goods have been sold – noting the details of the type of sale, its essence and its nature (a regular sale or the delivery of goods within the framework of a guarantee, service and rental).
- b) The inventory – details of the goods remaining in stock.
- c) The price of the goods sold and a pricing of the goods.
- d) Any other reason or fact that the taxpayer sees fit to note in this declaration.
- e) Sales invoices of identical goods 3 months prior to the abovementioned entry and 3 months following the abovementioned entry.
